WARNING: CONTAINS SATIRE

The dangers of arbitrary and inconsistent viewpoint censorship are only exacerbated when enforced by police states (that masquerade as democracies) using opaque procedures that fall egregiously short of due process and are insensitive to context, such as sarcasm, comedy, lampooning, parody, humor, satire and socio-political commentary.

LAW 'N' ORDER PIGEONS IN SASKATCHEWAN

ATTENTION HIPPI's*: Now hear this! Our beloved corporate ballsgargling fuhrer, Premier Scott 'Ho' Moe has generously allowed us to maintain our cannabis monopoly despite Trudeau's legalization. So we will continue to supply you with weed at the same rate - we get 90% cash back, you get 10%, and you continue to be our undercover eyes and ears in the community. And frame whoever we say. Everyone agreed?
